

What's happening at RIPLEY?

COUPONING

From beginner to extreme couponing – you are not going to want to miss this!

Tuesday, October 3rd 6-8 pm

Would you like to learn how to make your money go further with valuable money saving coupons?

Everyone welcome!

SLOW COOKERS

Why use a slow cooker?

Tuesday, October 10th 6-8 pm

Slow cookers are frugal to buy, cheap to operate, and can turn inexpensive cuts of meat or low cost vegetarian dishes into delicious family meals with just the flip of a switch.

One main focus of the program will be on the safe use of this equipment. Participants will receive slow cooker recipes and instructions on how to turn regular recipes into slow cooker recipes.

Bring a friend!

PLANT EXCHANGE

Tuesday, October 17th 5:00 – 7:30 pm

Do you have plants, cuttings, bulbs, or seeds you would like to exchange or just give away?

Join other garden enthusiasts and share the bounty.

Introduction to Facebook

Monday, November 6th 5-7 pm

Friends? Likes? Status updates?

If you're new to Facebook, there are a lot of terms and phrases that may seem a little confusing at first. Reviewing some of the most commonly used terms will give you a better understanding of how Facebook works and what to expect as you get started.

Learn to create and check an email address; how to create, use, and maintain a Facebook page plus much more.

Seating is limited, so call today to register!
